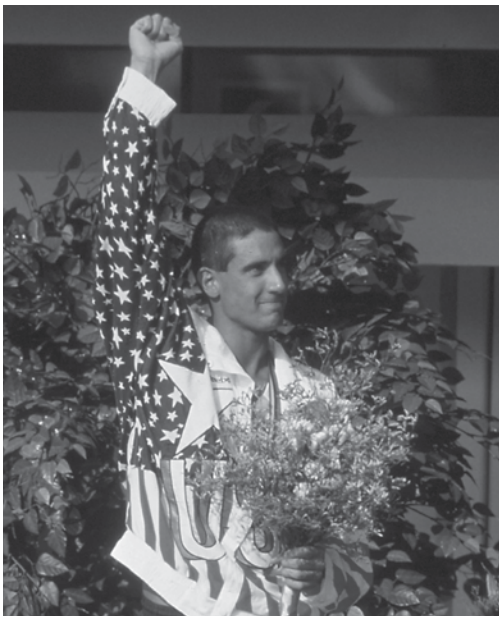
THIS IS NEBRASKA

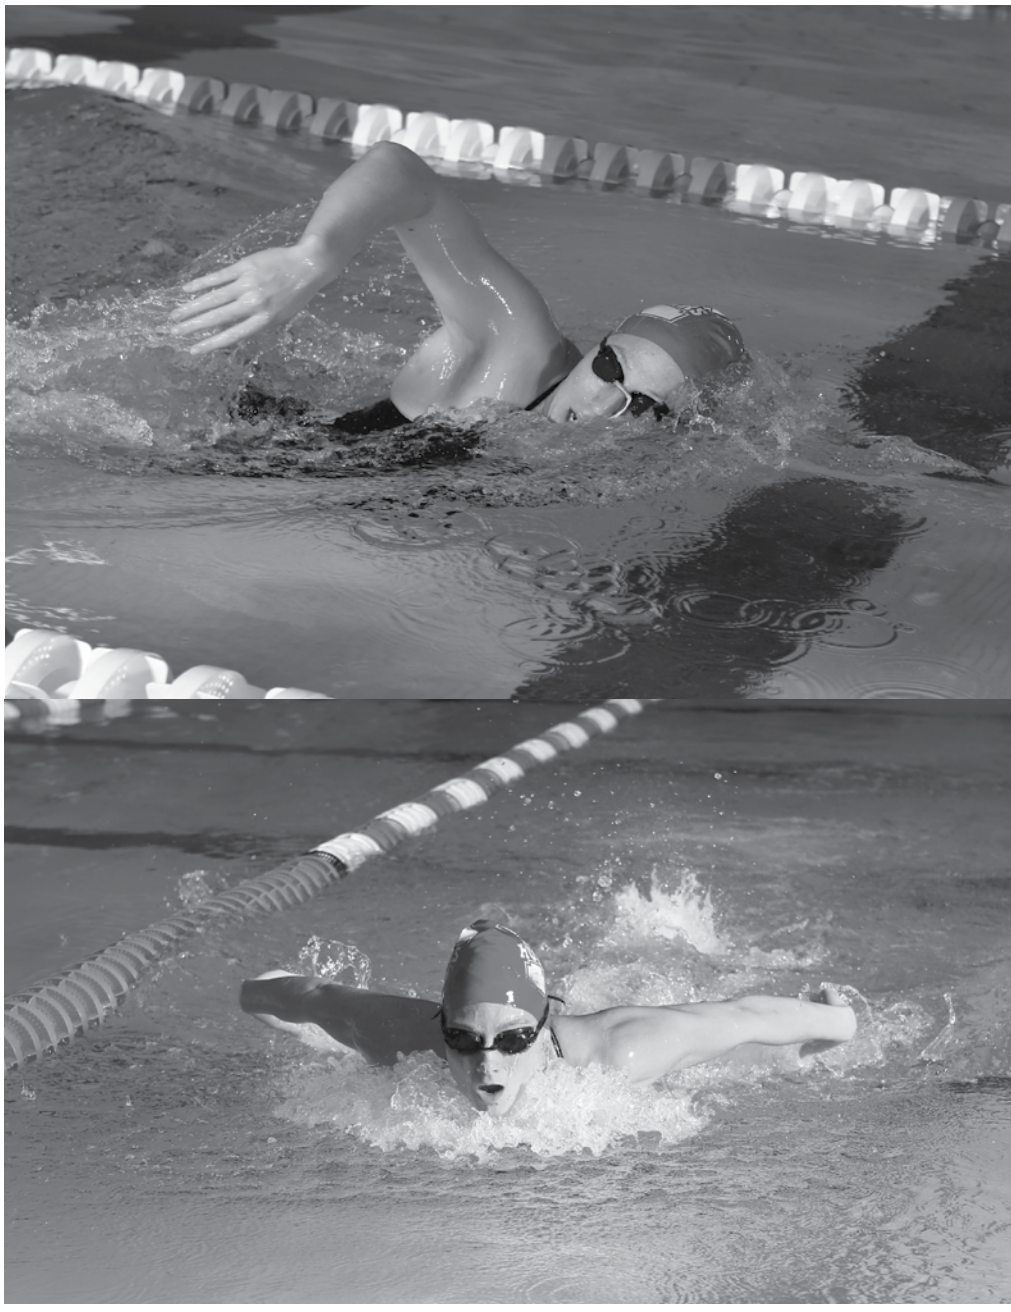
Nebraska women's swimming and diving has a long history of success. The Huskers have finished in the top 12 at the NCAA Championships five times since 1995, producing 11 Olympians, including gold medalist and world-record holder Penny Heyns.

In addition to individual success, Nebraska swimming and diving has claimed 10 conference team championships. The 2013-14 squad set 42 career bests at the 2014 Big Ten Championships.

Success in the pool is just part of Nebraska's success story. Coached by Olympic Gold Medalist and Academic All-America Hall of Fame inductee Pablo Morales, the Huskers have annually been one of the top academic teams in the nation. Over the past several years, nearly every member of the team earned an academic honor from the conference. The Huskers also captured Nebraska's Life Skills Award as the most committed team to NU's nationally renowned Life Skills program in 2010, 2012, 2013 and 2014.

In athletics, academics and in life, There Is No Place Like Nebraska.





Top: Taryn Collura, a junior at Nebraska in 2014-15, swam a school-record 22.42 in the 50-yard freestyle at the 2013 Big Ten Championships. Collura, who qualified for the NCAA Championships in the 50- and 100-yard freestyles in 2013, added a career-best 49.30 in the 100 in 2014.

Middle: Shannon Guy holds Nebraska's school record in the 100-yard butterfly, swimming a time of 53.23 at the 2013 Big Ten Championships. A senior at Nebraska in 2013-14, Guy also competed in the 2012 U.S. Olympic Trials at the CenturyLink Center in Omaha.

Left: One of the most decorated swimmers in U.S. history, Nebraska Coach Pablo Morales was an 11-time NCAA champion at Stanford, and won five combined medals at the 1984 and 1992 Olympic Games, including three golds and a pair of silvers. Morales also served on the committee for the 2008 U.S. Olympic Swimming Trials, which were held in Omaha.

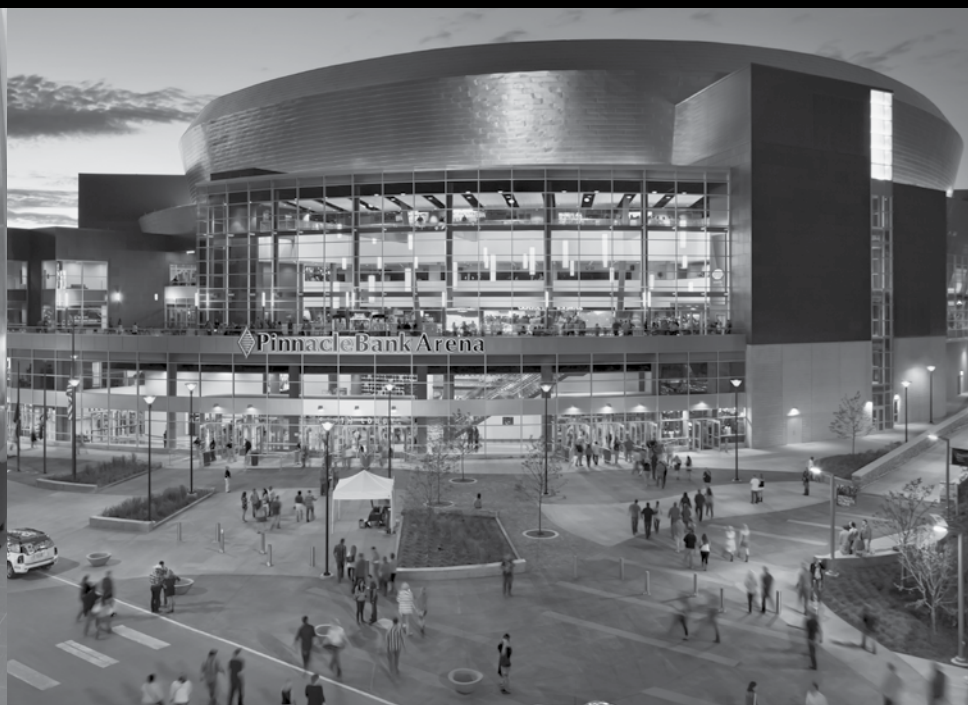
SWIMMING

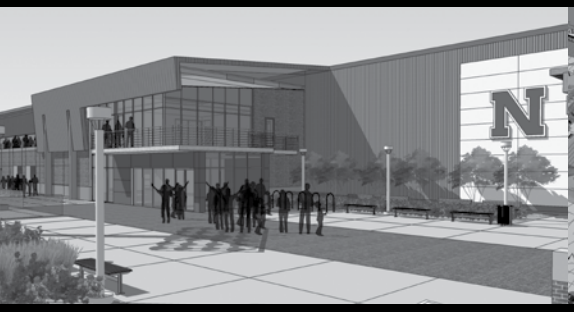
Nebraska swimming and diving utilizes top-notch facilities. Nearly every Husker sport enjoys a venue that ranks among the nation's best. Nebraska is dedicated to providing its athletes the best game-day and practice atmospheres in every sport.

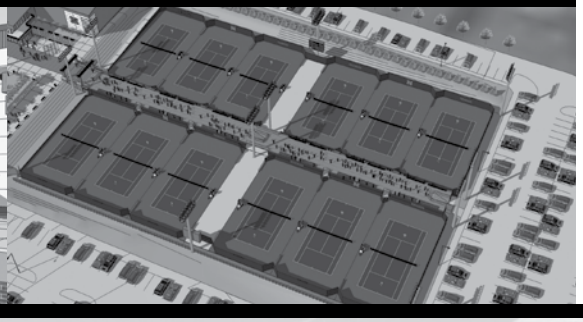
Movement analyzers, an electronic timing system and updated weight facilities make the Devaney Natatorium (bottom) a leader in technology. The Huskers have also received a new locker room and team ready room.

The state of Nebraska has also been an important stop for swimmers on their way to Olympic glory for the past decade. In 2008 and 2012, Omaha's CenturyLink Center (left) served as the home of the U.S. Olympic Trials, and the venue was selected to host the event again in 2016.

CHAMPIONSHIP FACILITIES







Nearly every Husker sport enjoys a venue that ranks among the nation's best. Nebraska provides its student-athletes top-notch game-day and practice atmospheres in every sport.

The nationally prominent Nebraska volleyball team moved into the Devaney Center for the first time in 2013, after the building received a $20 million renovation. The baseball, softball, men's and women's basketball, volleyball and wrestling programs have all benefitted from new practice facilities within the last two seasons.

Top: Memorial Stadium entered 2014 with a nation-leading 333 consecutive sellouts. The stadium expanded by more than 5,000 seats in 2013, while adding an innovative academic/athletic research wing in the East Stadium. The Osborne Athletic Complex (bottom left) provides Nebraska student-athletes with top-notch training facilities. The main entrance to the Osborne Athletic Complex and Traditions Lobby features an impressive waterfall and a wall that honors those who contributed to the massive project, as well as memorabilia and trophies from all of Nebraska's bowl games.

Middle: Nebraska's teams compete in some of the nation's finest facilities in front of large crowds. The wrestling, volleyball and track and field programs join the swimming and diving program inside the Devaney Center. The Nebraska soccer and tennis programs will benefit from new homes in 2014-15.

Bottom right: Hawks Field at Haymarket Park provides the Huskers with the finest baseball stadium in the Big Ten Conference. Nebraska shares its home ballpark with the Lincoln Saltdogs, an independent minor league team. The home of Nebraska softball, Bowlin Stadium, is right next to Haymarket Park and both the baseball and softball programs benefit from the new Alex Gordon Training Complex.

HUSKER POWER

The model strength and conditioning program in the nation, Husker Power plays a major role in the continuing success of Nebraska athletics. Nebraska's strength program was the first in the nation. With 13 staff members, including Devaney Center Strength Coach Rusty Ruffcorn, it is one of the most comprehensive strength and conditioning organizations in the nation.

Nebraska's strength training facilities have set the standard in collegiate strength training since the early 1970s. Not only does it feature the Ndamukong Suh Strength and Conditioning Center in the Osborne Athletic Complex, it also features a weight room utilized by the swimming and diving team in the Hendricks Training Complex that opened in 2011.

"The University of Nebraska strength and development program is the model for others in the country."

Phillip Hage, Editor,
Physician and Sports
Medicine Magazine

THREE REASONS FOR SUCCESS

Program - The Husker Power Strength and Conditioning Program is geared for maximum improvement of performance in the pool. Each athlete receives their own individual computerized program each year.

Supervision - The Husker Power staff has nine full-time strength and conditioning specialists and four interns. Devaney Center Strength Coach Rusty Ruffcorn works directly with the swimming and diving program to help Husker athletes prepare for successful athletic careers.

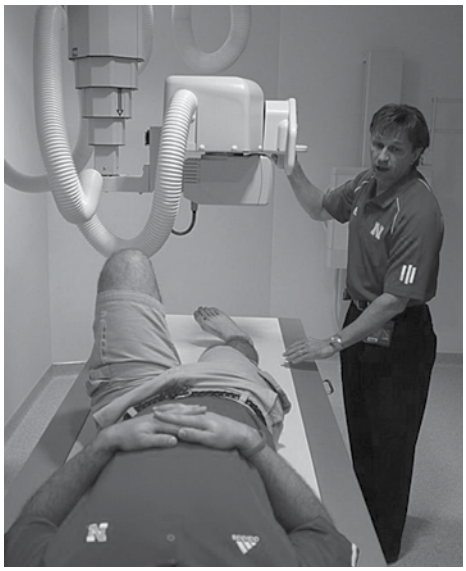
Facilities - The Ndamukong Suh Strength and Conditioning Center in the Osborne Athletic Complex is the finest all-around athletic facility in the nation, providing athletes with all the tools necessary to achieve at the highest level.

ATHLETIC MEDICINE

Providing expert care to more than 600 Husker student-athletes, Nebraska features one of the most well-trained and highly skilled athletic medicine staffs in the country.

Under the guidance of Director of Athletic Medicine Dr. Lonnie Albers, Head Athletic Trainer and Physical Therapist Jerry Weber and Women's Swimming and Diving Athletic Trainer Kessy Hergenrader, the 2014-15 Nebraska athletic medicine staff consists of five doctors, 13 athletic trainers and six graduate assistant athletic trainers.

Nebraska's team of orthopaedists is led by Chief of Staff Dr. Pat Clare, a nationally respected orthopaedic surgeon with more than 30 years of service to Husker athletics.

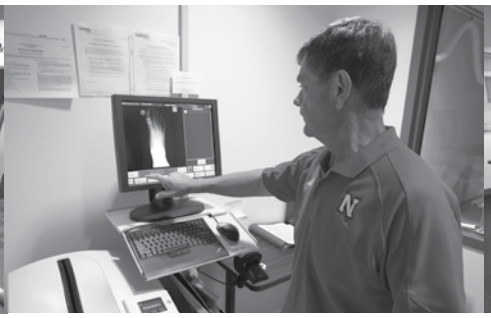


Above: Associate Athletic Director and Director of Athletic Medicine Dr. Lonnie Albers coordinates the care of Husker student-athletes by using some of the best on-site technology in collegiate athletics.

The Athletic Medicine Center features a hydrotherapy area that includes a three-level laned pool, which allows student-athletes across all of Nebraska's sports to work out simultaneously. The Hydroworx 1000 Treadmill Pool is equipped with two cameras underwater for evaluation and assessment, while hot and cold plunge tanks are also available to the Huskers.

The medical facilities at Nebraska have long been among the nation's best, and NU's athletic medicine center within the Tom and Nancy Osborne Athletic Complex will keep the Huskers on the front line of technology for decades to come. In addition to Nebraska's North Stadium facility, the Bob Devaney Sports Center, Haymarket Park and Pinnacle Bank Arena all feature athletic medicine areas. The Devaney Center's Athletic Medicine facility underwent an extensive expansion as part of the Hendricks Training Complex addition in 2011.

Using the best on-site medical equipment and resources in college athletics, the Nebraska athletic medicine staff provides Husker student-athletes with highly skilled medical care throughout the year.



NUTRITION

Nebraska's Sports Nutritionists Lindsey Remmers and Ryan Reist work with all 24 of Nebraska's sports by educating athletes on topics such as increasing lean body mass, losing body fat, staying hydrated, nutritional strategies for competition, maximizing recovery following workouts and supplement use. Athletes are given individualized nutrition plans that can be applied in Nebraska's Performance Buffet at the Lewis Training Table, which was remodeled and expanded in the 2010 season. In addition to utilizing the Lewis Training Table each day for lunch and dinner, student-athletes also have access to fueling stations near strength and conditioning areas to provide fluids and nutritional foods before and after workouts to maximize performance and recovery.

ACADEMIC SUCCESS

University of Nebraska student-athletes produced another outstanding year in competition, in the classroom and in the community, continuing NU's tradition of success in 2013-14. The Huskers increased their nation-leading total of all-time CoSIDA Academic All-Americans to 314 with a Big Ten-best seven academic All-Americans across all sports, while also claiming a Big Ten-leading five NCAA Postgraduate Scholarships in 2013-14.

Nebraska's seven CoSIDA Academic All-Americans ranked among the highest totals in the nation across all divisions. The Huskers maintained their lead of 76 all-time CoSIDA Academic All-Americans over national No. 2 Notre Dame. The only school in the nation with 300 academic All-Americans, Nebraska is one of just three schools across all divisions with 200 or more, joining Notre Dame and the Massachusetts Institute of Technology (MIT). NU leads the nation in CoSIDA Academic All-Americans since 2000 with 124, extending its nation-leading streak to 43 consecutive years with at least one academic All-American.

The Huskers also increased their nation-leading total of NCAA Top Ten Award winners to 17, as former women's tennis All-American Mary Weatherholt was honored during the 2013-14 academic year. Nebraska also ranks among the nation's best in the total of NCAA Postgraduate Scholarship winners, including five in 2013-14. Spencer Long (Football), Eric Schryver (Men's Gymnastics), Emily Wong (Women's Gymnastics), Sunny Russell (Rifle), Anne Martin (Track & Field) all claimed the prestigious national awards.

A total of 675 awards were issued for the Nebraska Scholar-Athlete Fall (354) and Spring (321) Honor Roll, recognizing Husker student-athletes who produced a 3.0 GPA or better during a semester. Among that group, Huskers produced 87 perfect 4.0 GPA semesters. A total of 62 Nebraska student-athletes also were honored as Big Ten Distinguished Scholars for posting 3.7 grade-point averages or better and lettering in their respective sports in 2013-14.

Nebraska's CoSIDA Academic All-America success continues to set the standard for the approximately 1,400 member institutions. The Husker football team leads all individual sport programs in the nation with 107 all-time CoSIDA Academic All-America awards, including 2013 first-team honoree Spencer Long and second-team selections Jake Long and C.J. Zimmerer. Spencer Long added a prestigious Nationall Football Foundation Postgraduate Scholarship worth $18,000, along with prestigious NCAA Postgraduate ($7,500) and Big Ten Wayne Duke Postgraduate ($10,000) scholarships before being chosen in the third round of the 2014 NFL Draft. Zimmerer added a spot on the AFCA Good Works Team and claimed Nebraska's Big Ten Sportsmanship Award for his extensive community involvement.

The Nebraska men's and women's track and field program added three academic All-Americans, including first-teamers Levi Gipson and Anne Martin, along with second-team pick Cody Rush. Martin and John Welk swept the NCAA Elite 89 awards for the Huskers as the student-athletes with the top grade-point averages competing at the NCAA Outdoor Track & Field Championships for the second consecutive season. Nebraska's 38 combined CoSIDA Academic All-America honors since 2002 for the men's and women's track and field program lead the nation.

Emily Wong, an 11-time All-American in competition for the Nebraska women's gymnastics team, added a first-team CoSIDA Academic All-America award to cap one of the greatest all-around careers for a student-athlete in Husker history. A two-time academic All-American, Wong was named the winner of the 2014 AAI Award presented to the nation's top collegiate gymnast. The Honda Award finalist and Big Ten Gymnast of the Year earned prestigious NCAA Postgraduate ($7,500) and Big Ten Wayne Duke Postgraduate ($10,000) scholarships. Her achievements earned her Nebraska's Female Student-Athlete-of-the-Year Award and the Big Ten Medal of Honor. Men's track and field student-athlete Seth Wiedel was Nebraska's Male Student-Athlete of the Year and Big Ten Medal of Honor winner.

THE NEBRASKA ACADEMIC EXPERIENCE

From the day student-athletes decide the University of Nebraska is the right place to be, the athletic academic counseling unit provides personal and academic support to ensure that student-athletes will get the most out of their years as Huskers. Featuring one of the most innovative and comprehensive academic support systems in the country, Nebraska is dedicated to helping its student-athletes become outstanding leaders in their chosen fields. The academic support team is comprised of 13 full-time staff members and a tutorial staff of approximately 75 tutors addressing all subject areas.

ACADEMIC COUNSELING

Eight academic counselors and three assistant academic counselors are in place to monitor daily academic progress, receive consistent course feedback, assist with the advising/registration process and monitor continuing eligibility and progress toward graduation. Essentially, academic counselors assist student-athletes in navigating the University of Nebraska system.

TUTORIAL SUPPORT

A tremendous resource for all academic abilities, unlimited tutorial support is available from day one up to college graduation. Subject and mentor tutors help provide academic support and study strategies to be successful. Supplemental Instruction, a sub-component of the tutorial program, provides targeted group review sessions to help ease the transition to college academics while improving study strategies and building academic self-esteem.

STUDY HALL

Nebraska's study hall program is housed in the D.J. Sokol Enrichment Center within the Dick and Peg Herman Family Student Life Complex. Student-athletes attend a supervised, flex-time study hall that features day, evening and weekend hours. Each student-athlete is required to complete a specific number of study hours each week as determined by their academic counselor and/or coach. In addition, weekly study hall reports are provided to the coaching staff. Additional performance-based or tutor-based study hall may also be determined by the academic counselor.

The Dick and Peg Herman Family Student Life Complex was completed in the fall of 2010. The extensive expansion and renovations tripled the size of Nebraska's previous space devoted to student-athletes. The Student Life Complex also features a new technology center and a dedicated Life Skills area. The area gives Husker student-athletes all the tools they need to grow and succeed in the classroom and in the community.

MENTORING

Many student-athletes meet with a mentor on a weekly basis to assist in making a smooth transition from high school to college. Mentors collect syllabi, gather and report academic progress information and teach academic success strategies.

EDUCATIONAL ASSESSMENTS

Assessments are administered upon the request of the student-athlete, academic counselor, or coach to determine student strengths and areas for improvement. Results allow academic counselors to develop a personalized academic support program and to determine if more in-depth testing is warranted. When additional assessments are necessary, referrals are made to a consulting psychologist who conducts the assessments. If it is determined that a student-athlete has a learning disability, appropriate accommodations are made through the Office of Services for Students with Disabilities.

STUDENT-ATHLETE ORIENTATION

The academic staff coordinates New Student-Athlete Orientation to help newcomers adjust to the multiple demands of being a college student-athlete. Presentations are made by academic counselors, compliance officials, NU faculty and administrators, business/community professionals and student-athletes.

PERSONAL COUNSELING

Student-athletes will find a supportive and caring environment at Nebraska. Transitional issues, stress management, time management, academic focus and problem resolution are all addressed in a proactive manner throughout the year. If necessary, counseling referrals are also made to designated practitioners.

COMPUTER RESOURCES

Student-athletes enjoy a new state-of-the art computer lab and technology center with 58 computers and professional supervision. Laptops are also available during team travel. Student-athletes have the benefit of ongoing education and assistance from a full-time computer technician.

One of Nebraska's most committed teams to outreach and community service, the Husker swimming and diving program has captured the Life Skills Team Award three of the past four seasons. NEBRASKA'S NATIONAL POWER

Nebraska competed at the highest levels across the board in 2013-14, producing top-25 national finishes in 14 of its 24 varsity sports. Nebraska was one of only two NCAA Division I schools to advance to the NCAA Championships in the six major team sports of men's and women's basketball, baseball and softball, women's soccer and women's volleyball, while also playing in a football bowl game. The Huskers won NCAA Tournament games in five of those sports, while also winning their bowl game, a feat no other school in the country matched in 2013-14.

In addition to the success of Husker teams, Nebraska produced its most All-Americans in more than a decade with 42 student-athletes capturing national honors across all sports in 2013-14. Nebraska's 42 All-Americans included 29 first-team award winners in their respective sports, led by 2014 NCAA 400-meter hurdles champion Miles Ukaoma. The Big Red's All-Americans came from 17 U.S. states, including eight from the Cornhusker State, and three foreign countries to claim a total of 51 All-America awards.

Not only did the Huskers enjoy success across many fields of competition, Nebraska fans supported the Big Red in record numbers as the volleyball (1st), football (9th), women's basketball (11th), men's basketball (13th), baseball (15th) and softball programs all ranked among the nation's top 20 in attendance. The football (333) and volleyball (200) also carried NCAA sellout streaks into their 2014 seasons.

Coach Bo Pelini's Nebraska football program notched its sixth consecutive nine-win season by defeating Georgia in the Gator Bowl. The Big Red closed the season with a 9-4 record and finished at No. 25 in the USA Today Coaches Top 25. Coach Tim Miles claimed Big Ten Coach-of-the-Year honors in his second season at Nebraska by leading the Huskers to their first NCAA Tournament appearance since 1998. Coach Darin Erstad led the Nebraska baseball team to the NCAA Tournament in his third season at his alma mater. The former Major League All-Star and Gold Glove winner guided the Huskers to a 41-21 record and runner-up finishes in the Big Ten regular season and at the tournament held at TD Ameritrade Park.

Wong finished her career as an 11-time All-American by capturing three All-America awards in 2014. The Big Ten Gymnast of the Year was also the AAI Award winner as the nation's top gymnast. 2016 U.S. OLYMPIC TRIALS

The CenturyLink Center in Omaha played host to the 2008 and 2012 U.S. Olympic Swim Trials. The facility will also be the site of the 2016 U.S. Olympic Trials.

The state of Nebraska, the Midwest and the entire swimming community took a monumental step on June 28, 2005, when USA Swimming announced Omaha as the host city for the 2008 U.S. Olympic Swimming Trials. After the 2008 Trials proved to be a resounding success, as well as the subsequent 2012 Trials, officials from USA Swimming and the Omaha Sports Commission announced that the event would return to Omaha for the 2016 Olympic Trials.

"It came down to the fact that the setup in Omaha for the athletes and coaches is just the best out of all the candidate cities," said Mike Unger, USA Swimming assistant executive director. "We think we did a good job in 2008 and 2012, but we think our efforts in 2016 need to be ramped up. We already have a few surprises that we're not sharing yet, but I think the spectators, athletes, coaches and volunteers who are there are going to be impressed."

The 2008 Trials drew a record 160,003 fans over eight days and 15 sessions. Swimmers competing at the event set a total of nine world records and 21 American records.

The 2012 Trials, held June 25 to July 2, featured the installation of temporary indoor pools in the CenturyLink Center. Two 50-meter pools were installed in the 18,300-seat arena, reducing capacity to approximately 14,000.

Current Huskers Bailey Pons and Shannon Guy were among the participants in 2012, making the short trip from Lincoln to Omaha to represent Club Huskers. Pons competed in the 400-meter freestyle, while Guy showed her talents in the 100-meter butterfly.

The CenturyLink Center has served as a home away from home for Husker athletics the past several years. The NU volleyball team has played at the facility numerous times, including the 2006 NCAA Championships, when the Huskers won their third national title. Nebraska also hosted the Big 12 Wrestling Championships at the CenturyLink Center and the men's basketball team played there in a game against Oregon in 2007.

In December of 2012, the NCAA Volleyball Championships returned to Omaha, welcoming the Husker volleyball team back, where they lost in the quarterfinals to eventual national runner-up Oregon.

2014-15 NEBRASKA SEASON PREVIEW

The 2014-15 Nebraska swimming and diving team plunges into a new season looking to build off the momentum of a 2013-14 season that was characterized by improvement and new career bests. The Huskers set an astounding 42 career-bests at the 2014 Big Ten Championships.

Although Nebraska graduated several key performers last season, the 2014-15 squad features two NCAA Championship qualifiers and 10 top-24 finishers from the 2014 Big Ten Championships. The Huskers also return 10 first-place finishers from last season and 17 letterwinners.

The Huskers will count on four seniors to help provide leadership for the 2014-15 squad. Kelly Dunn, Ciara Jenkins, Rebekah Land and Natalie Morris comprise a group of seniors that has earned 52 victories over their careers at Nebraska.

The Huskers will also rely on the experience of NCAA Championship qualifiers Taryn Collura and Anna Filipcic experience to provide leadership to help the team continue the steady improvement it has seen in recent years.

With an experienced group of returners coming off a season with so much improvement, Nebraska Coach Pablo Morales is optimistic heading into the new season.

"We had a good summer," Morales said. "All of our retuners stayed and we got some good training in as a club and competed extremely well. The girls are constantly looking to get to the next level and we can't help but have a positive outlook for the year. We definitely look forward to continuing our climb in the Big Ten."

In addition to Nebraka's strong core returning from last season, the Huskers expect to see the same kind of work ethic from its newcomers to keep the program headed in the right direction. According to Morales, Nebraska's freshman class (Cassandra Brassard, Jordan Ehly, Aimee Fischer, Francesca Giganti and Amanda Moran) has already shown the necessary traits to continue to help the Huskers climb in the Big Ten.

"Our freshman class has already shown really good ability, attitude and as we were expecting, they fit right in with the program," Morales said. "With great spirit and attitude, the training has been really good."

Nebraska features an accomplished group of returners with great leadership skills. While Nebraska boasts a good group of returners, it is not a large group. The Huskers will need to count on a combined effort from both the newcomers and experienced members of the team in order to continue to improve and rise in the Big Ten.

The Nebraska sprint freestyle corps should continue to be strong. This season the squad will once again look to its sprint freestylers to set the tone early in dual meet competitions.

Taryn Collura, a qualifier for the 2013 NCAA Championships, will be looked to as the unit's leader in 2014-15. A junior, Collura is Nebraska's top returner in the 50- and 100-yard freestyles. According to Morales, the group also features several other swimmers who will make the 2014-15 group one of the strongest on the team.

The squad will look to Alex Bilunas to step in and become a strong competitor for the sprint group. Bilunas is coming off a sophomore season where she earned 11 top-five places, four first-place finishes and captured an NCAA B cut. Dunn and Bria Deveaux will also be important contributors, after combining for 21 top-five finishes in 2013-14.

"We've got a lot of other sprinters, who are very solid and will definitely help us," Morales said. "Alex Bilunas has continued to develop along with Bria Deveaux and Kelly Dunn. We also have some stroke sprinters that do some sprint freestyle like Jacqueline Juffer and Erin Oeltjen, just to name a couple, and we are looking to see some more development from them."

In the middle- and long-distance freestyle events, sophomore Julia Roller is expected to lead Nebraska. In her first season with the Huskers, Roller earned nine top-five finishes including one victory. She also captured three top-25 finishes at the 2014 Big Ten Championships.

Nebraska will be boosted by the return of Katt Sickle. After sitting out last season with an injury, Sickle hopes to pick up where she left off as a freshman. Sickle earned 13 top-five finishes and three victories in her debut season with the Huskers in 2012-13. Morales said Sickle's return could provide a major lift to the middle- and long-distance freestyle events.

"Katt is a great testamant to perserverance, patience and tenacity with her rehab and getting back," Morales said. "She really shined at the sectional meet this summer in the mid-distance freestyle events. In those events she's really going to become the person we had hoped she would be and much more."

Sickle and Roller will be joined by teammates Michaela Cunningham and Aimee Fischer in adding depth to the middle- and long distance freestyle corps.

Rebekah Land is Nebraska's top returner in both the 100- and 200-yard backstrokes. Along with Land, Nebraska boasts a solid group of backstrokers, including Oeltjen and Juffer.

"We return a lot backstrokers who were very near scoring last year," Morales said. "Rebekah Land, Erin Oeltjen and Jacqueline Juffer have done extremely well, and we look forward to their continued development in the backstroke."

Nebraska is also counting on the talented freshman duo of Moran and Brassard to step up and add depth in the backstroke events.

Samantha Hardewig leads a strong group of returning Huskers in the breaststroke. Hardewig owns the top returning times in the 100- and 200-yard breaststroke, and she also notched two top-20 finishes at the 2014 Big Ten Championships. Hardewig also posted an NCAA B cut.

Nebraska's butterfly corps will be led by Collura in the 100-yard and Natalie Morris in the 200. While Nebraska may lack some depth in the fly events, the Huskers make up for it in quality. Roller and Deveaux are expected to round out the butterfly and compete at a high level in the event .

In the diving well, the Huskers are led by Filipcic. Nebraska's top returning competitor in both the one- and three-meter dives, Filipcic was NU's lone NCAA Championships qualifier and the first Husker diver to qualify since 2005.

HONORS & AWARDS

+ 2000 WAC Coach of the Year

Pablo Morales saw nothing but improvement from his 2013-14 Nebraska swimming and diving program, and entering his 14th season as the head coach of the Huskers he expects even more gains. Under his leadership, Nebraska hopes to continue to climb in its fourth season in the Big Ten Conference in 2014-15.

Nebraska completed its third season of Big Ten competition in 2013-14, finishing with a 4-2-1 record that included wins over Illinois, Northern Iowa and Nebraska-Omaha. The 2013-14 campaign was characterized by career bests. Nearly every swimmer and diver set career bests under Morales, as the Huskers set 42 career bests at the Big Ten Championships, alone. Nebraska also sent its first diver to the NCAA Championships since 2005.

Nebraska's increased competitiveness in the pool is a far cry from the starting point of the Husker program when Morales took over the job in 2001. In his first season at NU, the Huskers went winless in 2001-02 (0-3) with a depleted roster.

Three years later, NU raced to an 8-1 dual record in 2004-05 and became the first Husker swimming and diving team in school history to win eight consecutive meets. Most importantly, Morales led the Huskers out of the bottom of the Big 12 with a fourth-place finish in 2004 and a third-place showing in 2005. Nebraska has continued to pursue a climb in conference prominence as it has transitioned to the Big Ten.

The Huskers hope to regain the national prowess they enjoyed in the 1990s, when they captured five Big Eight and Big 12 titles from 1994 to 1999.

A 1987 graduate of Stanford University, Morales is one of the greatest male swimmers in U.S. history, winning an NCAA-record 11 individual titles. He also helped lead the Cardinal to three consecutive NCAA titles and four Pac-10 titles, while twice earning Pac-10 Swimmer-of-the-Year honors and garnering six Pac-10 titles himself.

Morales remains the all-time leading scorer at the NCAA Championships, amassing 235 points. Morales was also the recipient of the 1987 Al Masters Award, which is Stanford's highest award for athletic performance, leadership and academic performance. He was the first male swimmer to win the award, and remains one of two to have accomplished that feat. Morales holds the Stanford record in the 200-yard butterfly (1:42.60) and held the school record in the 100-yard fly (46.25) until it was broken in 1998 by Sabir Muhammad (46.18).

While at Stanford, Morales was awarded the J.E. Sterling Award, which is presented to a student-athlete based on scholarship, leadership and community service. In addition, he served as the director of the Stanford Volunteers for Youth Program. Morales also found time to become a mainstay on the campus newspaper as the beat writer for the women's basketball team.

A CoSIDA Academic All-America selection in 1987, Morales earned a law degree from Cornell in June of 1994, despite taking two years off from law school to train and compete at the Olympics.

An Olympic swimmer, Morales won three gold and two silver medals in the 1984 and 1992 Games, serving as a team captain for the 1992 squad. Following the 1992 Games, in which he returned to the pool after a three-year layoff to capture a gold medal in the 100-meter butterfly, Morales was named the U.S. Olympic Committee's Sportsman of the Year. He held the U.S. Open and NCAA record in the 100-yard fly with a time of 46.26, which stood for 13 years before being broken at the 1999 NCAA Championships.

Among Morales' greatest swimming accomplishments in the pool is holding the world record in the 100-meter butterfly with a time of 52.84 from 1986 until 1995.

Morales' legend in the Olympic Games lives on today, as the Nebraska coach served on the bid committee for the 2008 U.S. Olympic swimming trials that took place in Omaha. Morales had the chance to see the selection process and serve a role in the decision that gave Nebraska its first Olympic event in state history.

The Swimming Trials were a resounding success, and Omaha proved to be a worthy host for the event. The attendance at the Qwest Center Omaha broke records for the largest swimming meet ever held in the United States. Nine world and 21 American records were broken in the eight-day meet, and nearly half of the competitors set personal lifetime bests in ideal swimming conditions inside the arena.

USA Swimming once again chose Omaha to be the site of the 2012 Swim Trials, as the CenturyLink Center was the focus of the entire nation in preparation for the 2012 London Games.

Before coming to Nebraska, Morales served as the head women's swimming coach at San Jose State University. He held the reins as head coach from 1998 until being named coach at Nebraska in July of 2001. Morales rejuvenated a Spartan program that was near the bottom of the Western Athletic Conference. He was named the 2000 WAC Coach of the Year for his efforts.

While at San Jose State, Morales rebuilt a program and took the Spartans to the NCAA Championships after a 14-year absence. During his tenure, Morales produced six academic All-WAC swimmers. At the 2001 WAC Championships, five Spartans set school records under Morales' supervision, and three met NCAA qualification times. Seven others swam times that placed among the top three in school history.

Before his stint at SJSU, Morales served as an assistant coach at his alma mater, Stanford, during the 1997-98 season, helping lead the squad to the NCAA team title.

Morales also served as a graduate assistant at Cornell while pursuing his law degree. While at Cornell, Morales prepared and coached daily workouts for swimmers and assisted in recruiting. Morales has assisted in coaching with the San Jose Aquatics club group, as well as serving as head coach of the Stanford Masters Swim Team.

For Morales, the opportunity to coach at Nebraska was a welcome challenge.

"As a coach, taking over the responsibilities at Nebraska represents a great opportunity to take a program with success and use the resources that only Nebraska can offer, the support from the athletic

department, the University, the Lincoln area and the state, to take the program to a higher level," Morales said after he was hired. "Our goal is to take this program to the elite national level."

A powerful motivator, Morales hopes to keep his swimmers on the top of their games in and out of the pool, as Nebraska has established itself among the nation's best in academic support and athletics. Over the past six seasons, nearly 80 percent of Morales' student-athletes have been named to the conference or Nebraska Scholar-Athlete Honor Roll each semester.

"I want our swimmers to achieve their goals of faster times and lifetime bests," Morales said. "I want them to have the best season that they have ever had, and I also want us to establish a team atmosphere and build an excitement toward Husker swimming and diving."

Morales said he enjoys the challenge of competing in the Big Ten, one of the premier swimming and diving conferences in the country. The Huskers are set to face three Big Ten teams in duals in 2014-15, while facing several more at the Hawkeye Invitational in December.

Former Stanford Head Coach Skip Kenny, who coached Morales at Stanford and also with Team USA, spoke highly of his former pupil.

"He's one of the most honest people that you will meet," Kenny said. "You will always get the truth out of him. He's very dedicated to the sport of swimming and to his athletes."

Kenny also recognized Morales' charisma.

"As soon as the swimmers spend a few days or weeks with him," Kenny said, "they will see how much he cares about them and the sport of swimming."

Morales also received a vote of confidence that he will be able to turn Nebraska into a national title contender.

"He brings a high level of experience to build up the team," Kenny said. "He's been there and done that as far as swimming is concerned. I honestly believe that he is a better coach than he was a swimmer, and that is saying a lot since he was one of the best swimmers in the world. He has done things with kids that I thought I would never see. If there is a female swimmer out there that wants to be the best in the world, I'd send her to swim for Pablo."

Morales' experience as both an NCAA and international swimmer as well as a club and collegiate coach helps him in coaching and recruiting.

"In my experiences, I have been fortunate to have had a long career as a competitor. I was able to train with coaches who I think are some of the best in the world," Morales said. "I have learned from them, and I have learned from myself. I believe that all of my experiences have prepared me for coaching. I have a good feel for the contours of teams that are successful. I know how they practice, train and compete."

In July of 2012, Morales named Patrick Rowan as an assistant coach. A Nebraska native with a long-time association with the Husker program, Rowan spent five years at Missouri before returning to Lincoln. In his five seasons in Columbia, Rowan helped MU climb from 38th at the 2008 NCAA Championships to 14th in the final national standings in 2012. He also played a major role in bringing multiple top-20 recruiting classes to Missouri.

"We were very excited to have Patrick come back to Nebraska," Morales said. "He brings extensive and successful coaching and recruiting experience at the collegiate level. Patrick has a tremendous work ethic and an unmatched passion for Nebraska. He has made an immediate impact on this program and will play a key role in helping us achieve our Big Ten Conference and NCAA goals."

In his first season with the Huskers, Rowan immediately showed his worth, coaching the Nebraska sprinters to four school-record relay times at the 2013 Big Ten Championships. He also coached Taryn Collura to a school record in the 50-yard freestyle and a trip to the NCAA Championships in Indianapolis.

Morales named former Olympian Natasha Chikina as the head diving coach in June of 2005. Through eight seasons, she has guided Husker divers to 27 NCAA Zone appearances and the first Husker diver to the NCAA Championships since 2005.

"She brings outstanding technical expertise combined with a tremendous coaching demeanor that yields fabulous results at the Division I level," Morales said. "She is the perfect fit to build on the success of her predecessors here at Nebraska and be part of our development into a championship-level program."

A gifted and noted public speaker and lecturer, Morales was a contributing author to The Swim Coaching Bible, published in 2001. In April of 2007, he was chosen as the U.S. Swimming Diversity Select Camp Head Coach, a four-day camp at the Olympic Training Center in Colorado Springs, Colo. Aside from in-pool training, Morales also led motivational and educational sessions and team-building activities for boys and girls from all over the nation. These children were a part of an ethnically under-represented population that is less than 20 percent of the current USA Swimming membership.

Pablo is the son of Pedro and the late Blanca Morales, who came to the United States from Cuba in 1956. Pablo and his wife, Viviana, have four boys, Sam (16), Benjamin (13), Eli (11) and Gustavo (4).

Morales was born in Chicago and grew up in Santa Clara, Calif. He enjoys golfing in his spare time.

"My job is to instill confidence in a swimmer and teach her to expect a higher level of performance from herself. I want each swimmer to open her mind to what is possible. I want her to strive to exceed what she has done in the past each and every day. I want her to expect that more is possible."

Chikina has helped 27 Husker divers earn spots at the NCAA Zone diving meet over the past nine years. Last season, Chikina sent Nebraska's first diver since 2005 to the NCAA Championships, as Anna Filipcic finished 22nd in both the one-meter and three-meter competitions. Junior Nicole Schwery, who advanced to NCAA Zone diving meet in 2013, joins Filipcic to form a strong diving duo for the Huskers in 2014-15.

With Chikina's own success on the boards, she will look to utilize her experience in the sport of diving and continue to lead a talented Husker diving squad toward the top of the conference and NCAA Championship berths.

"As a coach, my job is to recognize the highest potential of each diver," Chikina said. "I want to make them believe in themselves by creating a positive and goal-setting environment. With hard work, discipline and encouragement, I want to bring every one of them to their highest level of performance."

Chikina, a native of Kazakhstan, competed at the Atlanta (1996) and Sydney (2000) Summer Olympic Games. Chikina finished 15th at the Atlanta Games, before capturing a ninth-place finish on the 10-meter platform in Sydney.

Following her diving career as an athlete, Chikina immediately began her quest to become a head diving coach. She was the assistant coach of the Trojan Diving Club from 1998 to 2001, coaching two Junior Olympic national champions, and the assistant diving coach at her alma mater, USC, in 1998-99, helping coach future Olympians Troy Dumais and Dorte Linder.

Primarily, she coached a two-time Oklahoma state high school champion, two Junior Olympic National Team members and four Junior Olympic National qualifiers. Among her other responsibilities, Chikina scouted, recruited and judged competitions up to the national level. She also scheduled team trips, camps and programs. Chikina coached at the 2003 U.S. Diving National Training Camp, instructing junior national-level athletes in the spotting belt, trampoline and dryboard.

Chikina earned her bachelor's degree in social science and communications from USC in 1999, after completing her physical education and coaching degree from the Kazakh Institute of Physical Education in Almaty, Kazakhstan, in 1996.

Natasha and her husband, Kris, moved to Lincoln in the summer of 2005. Kris served as a volunteer assistant for the Husker diving team in 2005-06 and is now coaching for the Nebraska Diving Club. The couple has two daughters, Katerina and Sophia.

Shawn Eichorst

Athletic Director | Second Year

ADMINISTRATIVE EXPERIENCE

Nebraska, Athletic Director (2013-present)
Miami, Director of Athletics (2011-12)
Wisconsin, Deputy Athletic Director (2009-11)
Wisconsin, Executive Associate Athletic Director (2007-09)
Wisconsin, Senior Associate Athletic Director (2006-07)
South Carolina, Senior Associate Athletic Director (2004-06)
Wisconsin-Whitewater, Director of Athletics (1999-2003)

EDUCATION

Marquette, J.D. (1995)
Wisconsin-Whitewater, B.B.A. (1990)

Shawn Eichorst was named Nebraska's 14th Director of Athletics on Oct. 4, 2012, by Chancellor Harvey Perlman. Eichorst leads a tradition-rich athletic program of 24 varsity intercollegiate teams, 600-plus student-athletes and more than 275 full-time employees. Nebraska's reputation as a world-class academic institution and its stature as one of the strongest and most balanced athletic departments in collegiate athletics supports Eichorst's top priority, which is to ensure all Husker student-athletes have the necessary support to succeed in academics, athletics and life.

Since taking over for the legendary Tom Osborne as Director of Athletics on Jan. 3, 2013, Eichorst has immersed himself in Nebraska's rich traditions. He has made nearly 300 public appearances, including nearly 200 speaking engagements in Nebraska. He serves on the Chancellor's Senior Administrative Team and regularly meets with campus administrators and deans. Eichorst's monthly radio show and Connecting on Campus column promote the university's academic and athletic successes, along with the academic and community achievements of Husker student-athletes.

Eichorst was also the first Director of Athletics to visit the Big Ten-based Committee on Institutional Cooperation (CIC) at its Champaign, Ill., headquarters. The CIC is a highly successful academic-based consortium of 15 schools, including all 14 in the Big Ten Conference. Nebraska is leading the Big Ten and the CIC in several areas, including the Digital Humanities and head injury research.

Under Eichorst's watch, Nebraska extended its nation-leading total of CoSIDA Academic All-Americans to 314, including seven in 2013-14. NU also increased its nation-leading total to 17 NCAA Top Ten Award winners, as Mary Weatherholt (women's tennis) earned the honor in 2014. A total of 279 Huskers were honored at the Student-Athlete Recognition Banquet, and 208 Husker student-athletes earned Academic All-Big Ten honors in 2013-14.

In 2013-14, NU was one of two NCAA institutions – and the first in Big Ten history – to qualify for a football bowl game and advance to NCAA postseason in the major team sports of volleyball, soccer, men's and women's basketball, baseball and softball. Nebraska was the only institution to win a postseason game in six of those seven sports.

The Nebraska football team completed its sixth straight nine-win season, while playing in its third consecutive New Year's Day bowl game, a win over Georgia. The volleyball team advanced to the NCAA Elite Eight in its first season at the Bob Devaney Sports Center. The Husker soccer team qualified for the NCAA Tournament for the first time since 2005, and advanced to the second round after winning Big Ten regular-season and tournament titles.

The women's basketball team captured Nebraska's first-ever conference tournament title while earning an NCAA Tournament win for the second straight year. The Huskers also hosted an NCAA Regional at Pinnacle Bank Arena – the first time since 1993 that NCAA Tournament basketball came to Lincoln. The men's basketball team earned Nebraska's first trip to the NCAA Tournament since 1998, following a top-four Big Ten finish. The men's and women's basketball teams qualified for the NCAA Tournament in the same season for the first time since 1998.

The bowling team earned an NCAA runner-up finish, and the rifle team finished fifth at the NCAA Championships. The women's gymnastics program made the NCAA Super Six and earned a share of the Big Ten title. The men's gymnastics team added an eighth-place NCAA finish, while the wrestling team claimed 11th at nationals - its top showing at the NCAA Championships since 2009.

The softball team shared the Big Ten regular-season title and advanced to an NCAA Super Regional for the second straight season. The baseball team earned its first NCAA Tournament bid since 2008.

The men's track and field team finished 12th at the NCAA Outdoor Championships, after finishing 17th at the indoor meet. The women added a 19th-place finish at the NCAA Outdoor Championships.

The Huskers produced 42 All-Americans who won 51 awards, including 29 first-team honors - NU's best totals in more than a decade.

Nebraska ranked in the top 20 nationally in attendance in football (90,933, 9th), volleyball (8,175, 1st), men's basketball (15,419, 13th), women's basketball (6,161, 11th), baseball (3,241, 15th) and softball (963) in 2013-14. NU's football, men's basketball and volleyball attendances were school records, and the Huskers extended NCAA-record home sellout streaks in both football (333) and volleyball (200).

Nebraska is focusing on improving the game-day atmosphere at every venue, including a $12.3 million upgrade of its wireless networks in and around Memorial Stadium in 2014. It is the largest wireless network system installation at a college stadium in history. The upgrade includes a new sound system, IPTV system installation and innovative smartphone applications.

In the summer of 2013, Memorial Stadium expansion increased capacity while adding the innovative Nebraska Athletic Performance Laboratory (NAPL) inside East Stadium next to the Center for Brain, Biology and Behavior (CB3). The men's and women's basketball teams became the primary tenants at Pinnacle Bank Arena, and the renovated Devaney Center became the home of the Husker volleyball, wrestling and men's and women's gymnastics programs.

The next major facility project is a world-class, $20.4 million Nebraska Soccer and Tennis Complex, located just north of the Devaney Center and Innovation Campus. When completed in 2015, the facilities will rank among the best in the Big Ten.

Eichorst came to NU after serving as Miami Director of Athletics in 2011 and 2012. He helped grow the academic reputation of an already sterling program with NCAA Top 10 recognition in Academic Progress Rates (APR) for five programs – football, baseball, men's diving, women's cross country and women's golf. Miami's Hurricane Club grew to more than 5,000 nationwide. A total of $19 million in student-athlete support was generated in 2011-12, and $14.2 million in capital gifts was raised for the Center for Athletic Excellence.

Eichorst hired legendary men's basketball coach Jim Larrañaga, and the Hurricanes advanced to the NIT second round. The women's basketball program posted the highest national ranking in school history (No. 5) and advanced to the NCAA second round. The women's tennis team advanced to the NCAA Elite Eight for the fourth straight season, and the baseball team made its 40th consecutive NCAA appearance. The women's soccer team posted the first NCAA Tournament win in history, and the volleyball team made its third straight NCAA Tournament trip.

Before heading to Miami, Eichorst was the Deputy Athletics Director at Wisconsin from 2009 to 2011. He was the Chief Operating Officer and oversaw the day-to-day operations (23 intercollegiate programs, 850 student-athletes, 320 full-time employees) under Director of Athletics and former Husker Barry Alvarez. Eichorst was involved in the design and planning of a new ice hockey and swimming facility, and the Student-Athlete Performance Center at Camp Randall Stadium.

At South Carolina, Eichorst oversaw daily operations of the department and supervised Lou Holtz's and Steve Spurrier's football and Ray Tanner's baseball programs. The football team was bowl-eligible each season, and the baseball team competed in the 2004 College World Series.

From 1999 to 2003, Eichorst served as the Director of Athletics at Wisconsin-Whitewater, which produced four top 10 percent NACDA Directors Cup finishes, one NCAA team title, two NCAA runner-up finishes and five individual national champions. The program also featured 11 CoSIDA Academic All-America selections, seven NCAA Postgraduate Scholarship winners and 74 All-Americans.

A native of Lone Rock, Wis., Eichorst was an all-conference defensive back, three-time letterwinner and 1990 football team captain for Wisconsin-Whitewater. He graduated magna cum laude in business from UW-Whitewater in 1990 and earned a law degree from Marquette in 1995. He practiced law in Milwaukee until 1999. He is a past member of the NCAA Division I Student-Athlete Reinstatement Committee and the State Bar of Wisconsin Board of Governors. He previously served as an assistant adjunct professor of law at Marquette Law School, where he taught classes in sports law. He serves on the Marquette University National Sports Law Institute Board of Advisors. In 2006, Marquette awarded Eichorst the Sports Law Alumnus of the Year award. He also is a graduate of the Sports Management Institute and serves on its Executive Committee.

Eichorst and his wife Kristin have three sons: Jack, Joseph and Bennett.

THE BIG TEN CONFERENCE

James E. Delany
Commissioner

Only the Big Ten's fifth commissioner since its founding in 1896, James E. Delany enters his 26th year with the conference. He has led the Big Ten through significant periods of growth that have helped the conference maintain its preeminent position as one of the nation's leaders in providing quality academic and athletic experiences for young men and women.

The Big Ten has grown to 14 member institutions during Delany's tenure, including the additions of Penn State in June 1991, Nebraska in July 2011 and Maryland and Rutgers in July 2014. With the conference's footprint now stretching from the Colorado border to the Atlantic Ocean and more than five million alumni across the country, Delany has focused on strengthening traditional relationships while building a presence in a new region.

In October 2013, the Big Ten moved to a new headquarters and meeting center in Rosemont, Ill. In April 2014, the conference announced it would open a second office in New York City and secured satellite office space in Washington, D.C. Throughout the summer of 2014, the Big Ten unveiled future basketball tournament sites in Chicago and Indianapolis, along with an East Coast destination in Washington, D.C. In May, the Big Ten Baseball Tournament set attendance records in Omaha, Neb., while the inaugural Big Ten Hockey Tournament was held in St. Paul, Minn., in March and will be played in Detroit, Mich., next year. In addition, the Big Ten will take part in the largest and most diverse postseason football lineup in conference history beginning in 2014-15, with 12 bowl partners spread across the country.

Under Delany's guidance, the Big Ten has been a national leader in broad-based programming, student-athlete welfare, gender equity and innovation. The Big Ten administers nearly $200 million in direct financial aid to almost 9,500 student-athletes for more than 11,000 participation opportunities on 350 teams in 42 sports. The Big Ten debuted men's ice hockey last year, and men's and women's lacrosse begins competition during the 2014-15 academic year, with Johns Hopkins University joining as the conference's first sport affiliate member for men's lacrosse in July 2014. The Big Ten now sponsors 28 official sports, more than every conference but the Ivy League.

Under Delany, the Big Ten has been a champion for Title IX. The conference was the first to voluntarily adopt participation goals for female student-athletes as the Big Ten initiated the Gender Equity Action Plan in 1992. The Big Ten leads all conferences with more than 4,300 female student-athletes and features nearly 500 televised or streamed women's athletic events. Big Ten women's teams have claimed more than 110 NCAA titles.

The Big Ten also developed the first collegiate football version of instant replay, which was implemented during the 2004 season. The conference has applied numerous initiatives under Delany's leadership, including Sportsmanship Awards beginning in 2003 and Postgraduate Scholarships starting with the 2012-13 academic year. In the summer of 2012, the Big Ten announced a partnership with the Ivy League to study the effects of head injuries in sports.

The Big Ten has seen unprecedented levels of national television coverage during Delany's tenure, highlighted by the creation of the Big Ten Network (BTN). Launched in August 2007 as a joint-venture with FOX, BTN was the first national conference-owned television network. Delany has also negotiated media agreements with ABC, CBS Sports, ESPN and NBC Sports Network, while FOX serves as the official broadcast partner of the 2011-16 Big Ten Football Championship Games. Through these agreements, more than 1,200 events are produced and distributed annually.

Delany has seen teams from 25 different sports win national championships, with seven claiming national titles during the 2013-14 academic year. The top 10 single-season football attendance records have been established in his tenure, while men's basketball has led the country in attendance for the last 38 seasons through the 2013-14 campaign. Each year more than 10 million patrons attend Big Ten home contests, as the conference leads the nation in attendance for hockey, volleyball and wrestling in addition to men's basketball. The Big Ten has also added tournaments for men's and women's basketball, men's ice hockey and men's and women's lacrosse, as well as challenge series with various conferences.

Delany and the Big Ten have been active in the community, creating the school outreach program SCORE (Success Comes Out of Reading Everyday). For the last 25 years, the conference has partnered with Chicago elementary schools to improve reading performance. The Big Ten has also established numerous community programs surrounding its men's and women's basketball tournaments and football championship game.

The 66-year old Delany is a native of South Orange, N.J. He received his undergraduate degree in political science from the University of North Carolina in 1970 and juris doctorate degree from the University of North Carolina School of Law in 1973. At UNC, Delany was a three-year member of the varsity basketball team, serving as tri-captain in 1970 and twice participating in NCAA Final Four competition. In September 2012, Delany received the UNC Distinguished Alumni Award.

After earning his law degree, Delany served as counsel for the North Carolina Senate Judiciary Committee from 1973 to 1974, and was staff attorney for the North Carolina Justice Department from 1974 to 1975.

The Aquatic Center features a 14,156 square foot competitive pool that features 10 lanes of a 50 meter racing course, 20 lanes of a 25-yard racing cource and 28 lanes of a 25 meter racing course. HISTORY

YEAR OF CAREER BESTS FOR 2013-14 HUSKERS

The Husker swimming and diving team had a 2013-14 season characterized by career bests. The Huskers set 42 career bests alone at the Big Ten Championships, in Minneapolis, Minn.

In addition, Nebraska sent its first diver to the NCAA Championships since 2005, with Anna Filipcic competing in both the one-meter and three-meter dives in Minneapolis. The freshman from Omaha, Neb., placed 22nd in both events.

To qualify for the NCAA Championships, Filipcic placed fourth in the three-meter dive at the Zone D Diving Meet in Minneapolis, edging out Big Ten champion Maggie Keefer by more than two points. Filipcic was not the lone Husker competing at the Zone D Diving meet. She was joined by teammates Nicole Schwery and Payton Michaud. All three divers competed in the one-meter dive, with Filipcic leading the way by placing 18th (290.35) for the Huskers, while Schwery and Michaud placed 19th (262.70) and 21st (258.20), respectively. The trio of Husker divers competed in the three-meter dive with Filipcic placed fourth (346.65) while Schwery and Michaud finished 16th (300.60) and 39th (228.20), respectively. Schwery finished out the meet by taking 10th (261.50) in the platform dive.

The Huskers also had two swimmers perform beyond the Big Ten Championships. Shannon Guy and Taryn Collura traveled to the University of Georgia's Last Chance Meet in Athens. Guy competed in the 100-yard breaststroke and 100-yard butterfly, while Colllura competed in the 50 and 100-yard freestyles. Collura swam a career best time in preliminaries of the 100-yard freestyle with a time of 49.30. She then added a time of 49.39 in the finals to earn a victory, but her top-time fell short of the 47.96 cut time for the NCAA Championships. Collura also took third in the 50-yard freestyle at the Last Chance Meet in a time of 22.68, missing the cut time (21.99) for the NCAA Championships. Guy finished seventh in the 100-yard butterfly (55.01) and fell short of qualifying for the NCAA Championships in both of her events.

While a handful of Huskers competed in events beyond the conference meet, the entire team performed at the Big Ten Championships.

The Huskers kicked off the meet with a near school record time in the 200-yard medley relay. The relay team of Jacqueline Juffer, Bria Deveaux, Shannon Guy and Taryn Collura finished the meet's opening event in seventh, missing the school record by less than a second. On the first day, Husker divers, Michaud and Filipcic took second place in the three-meter synchronized dive event.

Taryn Collura earned a victory at the NCAA Last Chance Meet in Athens, Ga., in the 100-yard freestyle swimming a time of 49.39.

Day two proved to be successful, as three Husker divers finished in the top 16 and several swimmers place in their events. In the one-meter dive Filipcic, Schwery, and Michaud placed 10th, 13th and 16th, respectively. The 200-yard freestyle relay team of Rebekah Land, Collura, Guy and Alexandra Bilunas placed eighth, with the third-fastest time in school history.

Bailey Pons finished her 500-yard freestyle career in style, placing 19th in the event and swimming a career-best time of 4:47.34. In the 200-yard individual medley Samantha Hardewig and Julia Roller placed 17th and 21st, respectively, with Hardewig swimming a career-best time of 2:01.39. The Huskers also saw success in the 50-yard freestyle with Collura and Bilunas placing 12th and 18th, respectively, both racing to season best times.

Nebraska wrapped up the conference meet on a high note. The final session kicked off with Pons placing 17th in the 1,650-yard freestyle, while setting a career best. Hardewig also set a career best in the 1,650-yard freestyle. Land finished 19th in the 200-yard backstroke, racing to a career-best time in the preliminaries. Hardewig set another career best in the 200-yard breaststroke, while placing 12th. Schwery and Kaitlan Walker also placed 11th and 16th, respectively, in the platform diving event, with Schwery setting a career best.

Overall Nebraska produced 10 top-16 finishes and 26 top-24 performances during the meet. Collura placed in the top-16 three times and Filipcic led the team in points with 16. As a team the Huskers placed ninth for the second straight year and finished with 145 points.

Nebraska's successful postseason was the culmination of an overall successful 2013-14 campaign that began with the Scarlet and Cream intrasquad meet that took place months earlier at the Devaney Center on Sept. 26. Over a week later the Huskers took part in the Alumni Meet, where a record 44 Husker Alumni attended the 10th annual event.

Nebraska kicked off its season a week later with a tie against Iowa State at the Devaney Center.The Huskers won eight of the 16 events, including the 200-yard medley relay, 1,000-yard freestyle and a sweep in the butterfly events.

Natalie Morris led the way for the Huskers, earning victories in the 100-yard butterfly (57.35) and 200-yard butterfly (2:06.21). Pons added an exciting meet by winning the 1,000-yard freestyle in a race that came down to the wire with Pons out-touching her competitor from Iowa State.

Filipcic (one-meter), Michaud (three-meter), Collura (100 free), and Erin Oeltjen (100 back) all added victories for the Huskers.

After a two-week break, the squad traveled to Fayetteville, Ark. on Oct., 26, to take on Arkansas. The Huskers fell 205-95 to the Razorbacks.

Two Huskers won individual events, as Morris (200 Fly) and Filipcic (one-meter) came home with the victories. Morris won the 200-yard butterfly for the second straight meet with a time of 2:04.11. Filipcic also captured her second straight victory in the one-meter dive with a score of 295.35.

The Huskers took second in both the 200-yard medley relay (Morris, Guy, Juffer, Collura) and the 200-yard freestyle (Guy, Collura, Billunas, Deveaux). Guy (100 breast and 100 fly), Collura (50 free and 100 free), and Juffer (100 back) picked up second place finishes.

Three weekends later in a double-dual at the Devaney Natatorium the Huskers, hosted South Dakota State and Iowa. Nebraska breezed past the Jackrabbits for a 232-68 victory, but fell to Iowa 167-133. Overall the Huskers won seven of the 16 events.

Deveaux claimed a victory in the 100-yard freestyle with a winning time of 53.62, and Guy brought home an individual crown in the 100-yard individual medley with a time of 59.56.

The next day the squad traveled to Omaha to take on Nebraska-Omaha. The Huskers came back with an 86-34 victory against the Mavericks.

The Huskers cruised to win six of the nine relay events. The 400-yard medley team (Juffer, Strecker, Guy, Bilunas) captured first with a time of 3:54.55. In the next event, the 600-yard freestyle team (Flannigan, Pons, Morris) provided the Huskers with their second victory of the day. For Nebraska's third victory, the 200-yard freestyle team (Juffer, Bilunas, Deveaux, Land) raced to a time of 1:38.46. Nebraska also came away with a victory in the meet's lone individual event, as Schwery won the three-meter dive.

The squad continued its dominance in the relays with the 300-yard butterfly team (Deveaux, Morris, Roller) finishing first with a time of 2:56.27. Juffer, Land and Erin Oeltjen led the Huskers to a first place finish in the 300-yard backstroke with a time of 2:55.46. In Nebraska's final victory of the day, Guy, Strecker and Katie Ditter led the 300-yard breaststroke team to a first-place time of 3:21.02.

After several weeks off, the Huskers returned to the pool to compete in the Holiday Training Competition in Honolulu, Hawaii.

Three weeks later Nebraska took on Illinois at the Devaney Center on Senior Day. The Huskers battled to a 160-140 victory over the Big Ten foe. The meet marked the final time seniors Flannigan, Ashleigh Grammar, Guy, Michaud, Pons, Strecker, Walker, and Megan Ziemann compete at the Devaney Natatorium.

The Huskers won nine of the meet's 16 events. Eight different swimmers captured victories. The 200-yard medley relay team (Juffer, Guy, Morris, Collura) started the day off right with a first-place time of 1:43.76.

Pons notched her 39th career victory in the 1,650-yard freestyle with a time of 17:02.65. Guy jump started a six event win streak for Nebraska by winning the 100-yard breaststroke (1:04.88). Morris was the next winner for the Huskers, racing to a first-place finish of 2:02.41 in the 200-yard butterfly.

The sprint freestyle corps came up big for the Huskers too. Bilunas and Collura both came through with victories in the 50-yard freestyle (23.76)and 100-yard freestyle (51.58).

In the diving well, the Huskers received strong performances from Schwery and Filipcic. Schwery came away with a victory in the one-meter dive with a score of 297.23, while Filipcic came in second with a score of 296.18. Filipcic would claim a win in the three-meter dive by posting a score of 321.07. The Huskers' final victory of the day came from Oeltjen in the 200-yard backstroke with a time of 2:03.52.

The squad was supposed to travel to Columbus, Ohio to take on Big Ten rivals Michigan and Ohio State, to wrap up the team's regular season, but weather prevented the Huskers from traveling to make it to the duals against the Wolverines and Buckeyes.

Alexandra Bilunas produced 11 top-five finishes and four victories in 2013-14. Bilunas swam a career best in the 50-yard freestyle at the 2014 Big Ten Championships.

NEBRASKA'S GOLDEN PENNY

Penny Heyns

Amanzimtoti, South Africa
- Olympic Gold Medalist
- Olympic Bronze Medalist
- World Record Holder

It's not every day you run across a golden penny.

But for South Africans and Nebraskans alike, there was one shining bright at the 1996 Olympic Games in Atlanta.

Penny Heyns, a former University of Nebraska standout, earned two gold medals and became the first female in Olympic history to sweep the breaststroke events.

Heyns' whirlwind year of success began on the collegiate level. In Husker suit and cap at the 1996 Big Eight Championships in mid-February, Heyns set a then-NCAA and U.S. Open record in the 200-yard breaststroke (2:08.90), as well as an NU record in the 100-yard event (1:00.18) to help Nebraska win its third consecutive conference crown.

After setting the records, Heyns was forced to travel home for the South African Olympic Trials, which were inconveniently scheduled between the two most important collegiate meets, the conference and national championships.

Nevertheless, it proved to be a trip Heyns would never forget.

During the preliminary heat of the 100-meter breaststroke at the trials, Heyns set a world record with a time of 1:07.46.

The time broke the record held by Australia's Samantha Riley, who had set a mark of 1:07.69 in September, 1994.

Just days after her return from South Africa, Heyns became the first Husker to win a national championship at the NCAA Championships in Ann Arbor, Mich.

Heyns dominated the 100-yard breaststroke with a pool-record 1:00.27 and also earned a silver medal in the 200-yard breaststroke with a 2:09.71 performance.

Heyns then entered the Olympics as the frontrunner in the 100-meter breaststroke event. She proved she had earned that title in the preliminaries, as she blew away the competition and shattered her own world record in a clocking of 1:07.02 in the process.

In the finals, Heyns got off to a quick start, but didn't dominate as she had in the prelims. America's Amanda Beard began her trademark kick at the 50-meter mark and almost caught Heyns at the wall. Heyns held on to finish in 1:07.72 and edged Beard (1:08.09), to claim gold for the first time.

Two days later, Heyns proved she wasn't finished.

After setting an Olympic record of 2:26.63 in the preliminaries of the 200-meter breaststroke, Heyns was timed at 2:25.41 in the finals and again beat out Beard (2:25.75) for the gold. Beard entered the Olympics ranked No. 1 in the 200, but couldn't catch up with the quick pace Heyns set from the start.

"That was one of the hardest races I ever swam," Heyns said following the race. "I'm just glad I had the guts to hang in there."

At a press conference in Lincoln, Neb., the week following her gold medal performances, Heyns admitted she was surprised about the win in the 200.

"In some ways, I sit back, and I really can't believe it," Heyns said. "The 200 (win) was totally unexpected. I don't think it has sunk in yet."

An extremely successful career at Nebraska fine-tuned Heyns for Olympic success. A 15-time All-American and 14-time conference champion for the Huskers, Heyns left Nebraska as the most decorated swimmer in the program's history. Heyns' accomplishments at Nebraska and on the international level will always be recognized.

Heyns has continually showed her appreciation for the University of Nebraska and its athletic department.

Following her double gold medal performance, Heyns didn't waste any time in thanking the Nebraska Swimming and Diving Program and its support staff for the role they played in her Olympic success.

"There is no way I would even be swimming today if I didn't come to Nebraska," Heyns said. "Nebraska has done so much for me that I could never express it. It's not just swimming, it's a family to me -- the whole coaching staff and all my friends."

For the next four years Heyns continued to define excellence in the sport of swimming on a world-class level by producing one of the greatest performances in the history of the sport.

At the 1999 Pan Pacific Championships, Heyns established three world records. Winning gold in both the 100- and 200-meter breaststrokes, Heyns touched the wall in 1:06.52 and 2:23.64, respectively, both world bests. In addition, she swam an exhibition 50-meter breaststroke, posting another world record with a time of 30.83.

Heyns took home her third medal at the 2000 Sydney Olympics by earning a bronze medal in the 100-meter breaststroke in a time of 1:07.55.
